

Young Girl Lynched and Burned Alive to the Sound of Cheering Crowd

I don't have any particulars about this video, but by the sound of it, it was filmed in South America. The video depicts a large crowd of spectators that gathered round a young girl who was being lynched. I don't know what she did that the whole community ganged up on her, but as we've ... UPDATE

Apparently this happened in in Rio Bravo, Guatemala. The girl and two others weres involved in the murder of a taxi driver. Hurray to gender equality. At least somewhere it exists.
